How does a semester or year abroad fit into your academic and career goals?

Describe an original topic that you wish to study and research during your semester or year abroad.

The goal of this report is to be able to share your knowledge gained during your time abroad with current and future APA students as well as interested peers at your home institution. What medium would you use to share your research (written report, video, podcast, etc.) and why?

ADDITIONAL INFORMATION

If you feel that it could be helpful, please feel free to share any additional information about yourself or your project that is not addressed in the application for the program or elsewhere.
