

**How does a summer, semester, or year abroad fit into your academic and career goals?**

**Now more than ever, photography and videos are the preferred method for consuming information. What is your preferred medium and how would you use it to capture an authentic study abroad experience? (250 word minimum)**

#### **ADDITIONAL INFORMATION**

**Share your portfolio or a video that you have recently completed. Include a link below or you can send a file via Dropbox to [mmarkley@apaparis.com](mailto:mmarkley@apaparis.com).**

**If you feel that it could be helpful, please feel free to share any additional information about yourself or your project that is not addressed in the application for the program or elsewhere.**
